### CLINIC DESCRIPTIONS

**Strategic Competition:** The focus is on court positioning, shot selection, & communication while in a competitive environment. The clinic is structured around points. Players will have the opportunity to play with some of the pressure experienced in real-life matches/tournaments.

**Open Clinic:** Fun King and Queen of the court games with Jeff.

**Doubles Point Play:** This is a fast-paced doubles clinic with drills and point play.

**Price is Right:** A FREE clinic for our Platinum members/hotel guests. This clinic is a family friendly clinic, open to all levels. Junior players must be Competitive Edge class or above. This two court clinic uses live ball drills to keep a large number of people on each court engaged, moving and hitting as many balls as possible. This is a great opportunity to meet and play with other members.

**Show Up & Play:** Drop-in play with other members. All levels welcome. Not facilitated by a pro.
