CLINIC DESCRIPTIONS

Beginner/Advanced Beginner Clinic: Tactical play in singles and/or doubles with drills and point play (levels 2.5-3.0).

Doubles Point Play + Doubles Drills & Play: This is a fast-paced doubles clinic with drills and point play.

Drills & Skills: The Drills and Skills classes are for those players who like the 1.5 hour fast paced clinics. The focus will be on fast paced level appropriate drills, shot selection and positioning. Depending on how many players are in the clinic, there will be some doubles point play at the end.

Early Bird Clinic: Technical instruction for 20 minutes and generally focuses on one different stroke each day. Tactical/control live ball 15 minutes and then live play 15 minutes.

Price is Right: A FREE clinic for our Platinum members. This clinic is a family friendly clinic, open to all levels. Junior players must be Competitive Edge class or above. This two court clinic uses live ball drills to keep a large number of people on each court engaged, moving and hitting as many balls as possible. This is a great opportunity to meet and play with other members.

Triples: 3 vs 3 with low compression balls. This is a fun, fast, family game for all levels (preferably for adults and children who are comfortable handling a racquet and understand the basic techniques).

CLINIC REGISTRATION

All clinics require registration, have capacity limits and may be made 3 days in advance. Please call the south club to sign up. If there are not 3 players signed up by 8 pm the evening prior, then it will be canceled. If a player does not cancel their reservation by 8pm the evening prior then they will be charged. Players will be emailed if it is canceled.
